TOOLBOX REBOOTED

PEOPLE vs. PROGRAMME...?

Cost: £15

or £20 including lunch

A day conference for those involved in ministry with children and young people exploring the question:
“How do we encourage faith to grow?”

What if our programmes and resources are getting in the way? What if it is first about people in relationship with each other and God?

Come for a series of short talks with opportunities to explore more deeply in workshops and seminars.
